GROUP FITNESS DESCRIPTIONS

BOOT CAMP A non-stop workout using a series of basic athletic-style exercises to produce a cardiovascular and muscular endurance challenge.

CIRCUIT BLAST* (OUTDOOR) Step up to the challenge of improving your strength, agility, balance, and aerobic capacity as you work your way through this challenging circuit of exercises timed in specific intervals.

CYCLING A cycling class set to motivating music that combines jumps, intervals, hills, and sprints to promote and aerobic fitness.

ENERGY CIRCUIT* (OUTDOOR) A high energy rotation of strength training, cardio and body weight exercises that will strengthen and define your muscles and keep your heart rate elevated for max calorie burn.

GEAR UP Gear up for this cycling experience set to music, combining jumps, intervals, hills and sprints to promote total body and aerobic fitness.

H.I.I.T. (HIGH INTENSITY INTERVAL TRAINING) Class includes short, high intensity intervals combined active recovery designed to train the body for improved performance and calorie burning. This format offers the perfect blend of speed, quickness and agility drills.

HATHA YOGA A straightforward style of Yoga with postures that focus on technique, flexibility, breathing, and relaxation.

KICKBOXING Traditional kickboxing moves are taught and performed to increase cardiovascular fitness, agility and quickness.

KICKBOXING 101 This intro to Kickboxing class teaches basic punches, kicks and boxing moves designed to increase muscular strength and cardio endurance.

KICK, CORE, & MORE A non-stop routine of kicks, punches & cardio drills along with strength, balance and core work combined into one challenging class that will increase your endurance, strength, core...and more!!!

PILOXING® Uniquely blends the power, speed, and agility of boxing with the isolated sculpting and flexibility of Pilates. These techniques are also supplemented by the use of weighted gloves, further toning the arms and maximizing cardiovascular health. Add to that exhilarating dance moves and you have a muscle-toning, fat-burning workout that will make you feel physically and mentally empowered! A cardio fusion of fitness techniques to burn maximum calories, build lean muscles, and increase stamina.

PILATES Pilates mat exercises stretch and engage every muscle in your body with special emphasis on your core.

PILATES SCULPT Exercises and postures that stretch and tone every muscle in your body, with a special emphasis on the "core" (abdominals, waist, lower back and buttocks). A small variety of props may be used.

POWER CYCLE Improve your speed, strength, stamina, and your overall health with this fun and challenging cardiovascular workout.

POWER FUSION An exciting blend of Yoga and Pilates, the best of both worlds! This class combines the slow controlled breathing and stretching of yoga with the core tightening and strengthening moves of Pilates.

POWER HOUR Energize your day with a total-body cardio and strength workout including aerobics, weight training, plyometrics, balance, and coordination exercises.

STRETCH & RELAX Take a break from your work day to stretch, de-stress, and relax. Increase energy level and flexibility to improve posture and range of motion of the joints. You don't even need to change your clothes for the class. Improve overall well-being!

SUNRISE YOGA An all-levels class providing a good stretch in the morning and more energy for the day. This class includes body alignment, breathing, and relaxation.

TABATA INTERVAL Take your training to the next level with this dynamic conditioning experience! 20 second bouts of high intensity exercise followed by 10 seconds of rest. Repeat 8 times for a total of 4 minutes to create a class full of challenging intervals.

TKO (TECHNICAL KNOCKOUT) Build stronger and more defined arms with sparring jabs and power punches. You will learn the proper execution of the punch combinations for an intense cardio workout that can help you become stronger and more confident.

VINYASA YOGA A series of breathing, stretching, balancing, and relaxation (postures) to increase flexibility, energy and create better awareness of mind and body.

WELLNESS YOGA* (OPEN TO ALL EMPLOYEES) Join us for this yoga class sponsored by the Health Engagement team.

YOGA SCULPT An intense full body workout using traditional yoga poses with light to moderate weights for total body training.

ZUMBA® Come join the party with Latin inspired dancing that will increase your cardiovascular endurance and tone & sculpt your body. Before you know it, you'll be getting fit and your energy levels will be soaring! It's easy to do, effective and totally exhilarating.
